GOVERNMENT OF MYSORE

No.A1-P.R.105/49-50, OFFICE OF THE REVENUE COMMISSIONER IN MYSORE

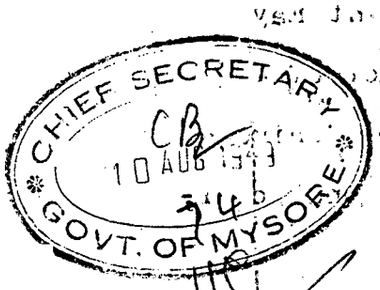
Encls-2

Dated. Bangalore. 9th August 1949.

SRI K. SRINIVASAN, B.Sc.,
Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
BANGALORE

Sir.

Allowance to the Sub Division Officer, Shimoga for attending to the work relating to the acquisition of lands under Tunga and Lakkavalli Projects - grant of -



I have the honour to state that a proposal has been sent up to Government in this office letter No.C5.234 dated 10th February 1949 addressed to the Secretary to Government. Public Works Department for the entertainment of a whole time Special Land Acquisition Officer with the necessary Staff for attending to the work --- relating to the acquisition of lands under Lakkavalli and Tunga Projects. I enclose herewith a copy of letter No.S2.C.3883/48 dated 28th May 1949 received from the - Deputy Commissioner, Shimoga together with its enclosures stating that the Sub Division Officer. Shimoga has been in the meanwhile entrusted with the acquisition cases -- relating to Lakkavalli and Tunga Projects with the result the acquisition work in the Sub Division has enormously increased and requesting that an allowance of Rs.50/- per mensem may be granted to the Sub Division Officer, Shimoga for looking after this additional work.

It is stated that as these Projects are in progress, the Sub Division Officer has been asked to look after this

work to facilitate the expeditious disposal of the cases. From the Statistics furnished it is seen that the acquisition cases on hand during 1948-49 is nearly four times the number during the preceding years. In view of the fact that this additional work has devolved on this Officer increased work and res-ponsibility the proposal of the Deputy Commissioner seems to be quite reasonable.

In the circumstances Sanction of Government may be kindly obtained to the grant of an allowance of Rs.50/- per mensem to the Sub Division Officer Shimoga from 1st July 1948 till the date the Special Land Acqui-sition Officer appointed takes charge.

Yours faithfully

REVENUE COMMISSIONER.

Letter No.S2.C.3883/48-49 dated 28th May 1949 from the Deputy Commissioner, Shimoga District to the Revenue Commissioner in Mysore, Bangalore

Subject:-Allowance to Sub Division Officer, Shimoga for attending to Tunga Project Acquisition Work.

I have the honour to state that the Sub Division Officer Shimoga in his letter No.R3.C.742-229/48-49 dated 4-5-1949 represents that the work of the Sub Division Officer has enormously increased on account of the land acquisition cases connected with the seve -ral projects viz. Thunga Project, Lakkavalli Project and Budigere Project on hand so much that he has been burdened with the work which should have been attended to by a Special Land Acquisition Officer and that thinking that a Special Officer would be appointed he did not apply for any special allowance. Now since the commencement of the year 48-49, he requests for a special allowance of Rs.100/- per month being recom--mended to him from 1-7-49 till a Special Land Acquisi--tion Officer is appointed as in the case of other similar

In this connection. I wish to mention that there is no doubt sufficient increase in work to the Sub Division Officer. I would suggest that an allowance of Rs.50/- P.M. would be quite fair. I therefore recommend that Sri C.M. Kempanna, Sub Division Officer. Shimoga may be paid an additional allowance of Rs.50/- P.M. from 1-7-49 till such time as he looks after the extra work connected with the acquisition cases concerning several projects -- and till a Special Land Acquisition Officer is appointed for this work

The favour of early orders is requested

Sub Division officer,
Shimoga dated 4th May 49

SHIMOGA
Recommend for an allowance of Rs 60/-

The Deputy Commissioner,
Shimoga district, Shimoga.

SL 202/5

Sir.

I have the honour to bring to your kind notice that the work of the Sub Division officer has enormously increased since July 1948 consequent on the Land Acquisition cases relating to the Tunga Project Lakkavalli Project, Seegihalla and Budigere Projects. The following statement shows that the volume of work turned out so far during the current year exceeds the volume of work done, during the last four years put together.

Year	Preliminary record	Final Acqn. cases.
44-45 ...	28	48
45-46 ...	24	68
46-47 ...	56	96
47-48 ...	44	77
48-49(upto 1-5-49)	51	298

In connection with the acquisition of lands for the above projects additional work and responsibility has devolved on me, since in addition to the work of the Sub Division Officer, I have to overwork and do the work which a Special Land Acquisition Officer if appointed, would have done. such as making enquiries under the Provisions of the Land Acquisition Act, inspecting the lands, passing of the awards in each case. besides attending to correspondence.

With the impression that a separate Land Acquisition Officer would be appointed for the work relating to the above projects as was done in the case of Hirebhaskar. Jog and other projects, I did not apply for any special allowance for attending to this extra work. But since no special Land Acquisition Officer has been appointed, I have attended to all the Land Acquisition cases so far received and fresh cases are being received from time to time and the bulk of work is increasing day by day as the work of the projects progress.

In view of the extra work and responsibility devolved on me since the commencement of the year 48-49, I request that a Special
